Rainbird Pricing as of October 2021

Annual license subscription for Rainbird Studio: $58,000

Additional feature components:
 - Private Cloud $29,000
 - On Premise $41,500
 - Each Additional Author $1,675

Please note that our technology is priced in GB Pounds Sterling: Rainbird does reserve the right to change/review pricing should there be a variance of more than +/- 10% from this rate, or after 3 months - whichever occurs first. These USD prices have been calculated on the basis of a £=USD exchange rate of 1.39 £:$ - which is a mid-point based on the currency fluctuation between 1.37 through to 1.41 over the past 3 months.
